

Pipe Wall/Ceiling 0674010A

Herzog and De Meuron

Product Info

Code	0674010A
Lamp category	Compact fluorescent lamps
Lamps	1 x TC-TEL 32w GX24q-3

Characteristics

Technical description Wall/ceiling lamp with flexible structure

Product typology Ceiling/Wall luminaires

Mounting location Wall surface or Ceiling surface

Colour Transparent

Material Steel

Environment Indoor

Optical

Light emission Direct dark light or Direct adjustable

Diffuser finish material Diffuser in polycarbonate

Reflector finish material Aluminium

Dimensions

Diameter (mm) 210

Height (mm) 1180

Electrical

Control gear availability Included

Control gear mounting Integrated

Control gear type Electronic

Emergency Availability Without

Nominal voltage (V) 230V

Certifications
